2. The figures entered on the credit side in the actuals for 1927-28 do not tally with the audited figures shown in the audit report recorded in G.O.No. 195 R.Edn Education dated 4-4-29. They require revision.

The credit taken for Government grant under Section 37 of the Madras Elementary Education Act 1920 in the Budget Estimate for 29-30 will be liable to revision with reference to the actual amount of Education tax collected in 1928-29.

4. The amount of Rs.29500 taken credit for as Government grants under the proviso to Section 37

37 of the Madras Elementary Education Act 1920 in the Budget Estimate for 29-30 should be raised to Rs.29604 as shown below and the amount will be liable to revision with reference to the number of schools that may be opened out of the provision sanctioned in G.Os.691 Law Education dated 4-4-28 and 703 Law Education dated 4-4-28.

As regards additional subsidy for teachers referred to in para 4 of the letter Dis.178/29 dated 2-5-29 from the President, Taluk Board, Coondapur, it is submitted that additional subsidy for the appointment of 14 teachers in schools opened with the aid of provincial funds sanction since 1924-25, has been sanctioned in G.O.No. 683 Law Edu dated 11-4-29. The Board should not have appointed the teachers without the sanction of Government.

District Educational Council Office, 4 JAN MANGALORE, SOUTH KANARA.

Sir, Through The President,
District Educational council
South Kanara
Mangalore

I have the honour to enclose The budget estimate of the Elementary Education Fund of this Taluk Board for the official year 1929-30 in the revised form prescribed in G.O. No 114 Law (Education) dated the 25th January 1927.

2. The closing balance for 1927-28

is =1410 according to the Audit report, has been adopted as the opening balance for 1928-29.

3. Provision of Rs 3200 — for the contribution from General Account to Elementary Education Account has been made at a great sacrifice to the General Fund which is hardly sufficient to meet with the most necessary ordinary requirements of the Board.

4. A sum of Rs 40,000 — has been estimated to be the requirements to meet the pay of teachers for the year 1928-29 but only Rs 34,000 has been shown in the revised budget so that the receipts and expenditure may balance each other. Similarly a sum of only Rs 36,000 — which is the amount has been provided instead of Rs 42,000 — for 1929-30. The excess expenditure is due to the entertainment of additional teachers in schools sanctioned by Government on behalf of whom no subsidy is received from Government. Proposals were invited by the Deputy Inspector of schools, Udipi Range in September 1928, for 34 additional teachers for schools opened with the aid of

Provincial subsidy since 19:
20 teachers were already employed but Government have not yet sanctioned any subsidy for additional kinds to this Taluk Board as a result of which the budget has closed with a deficit. However some of the additional teachers already employed have since been removed from service as a way of re-trenchment and the rest will have to be removed if Government also not subsi-dise them. In view of the fact that the finances of this Taluk Board are normal and as the additional staff proposed by me is found to be quite necessary for the schools on account of the increase in strength, I request that Government may be pleased to sanction subsidy for the additional teachers, so that the work of the schools may not suffer.

5. A copy of the Taluk Board's resolution approving the budget is herein enclosed.

I have the honour to be,

Sir,

Your most obedient servant.
